

CORPORATE & BUSINESS LAW

Owning a business can be a rewarding experience. Our exceptional team is responsive, experienced, and efficient. We collaborate with your other advisors to ensure your legal needs are addressed, allowing you to focus on making your business the best it can be.

Whether it is a business formation (sole proprietorship, C corporation, S corporation, partnership, or disregarded entity), merger, acquisition, executive compensation plan, employee benefits plan, tax dispute, sale, or liquidation, deals are negotiated with confidence and professionalism. Because tax efficiency can be a major consideration, not only do we work closely with your tax advisors, we also have tax attorneys on our team.

Our work does not stop when the deal is done. To help you cost-effectively maintain corporate records, we leverage our dedicated team to provide detailed documentation and follow up.
