Our trial attorneys help you successfully navigate complex civil disputes in state and federal courts, as well as in arbitration proceedings. Our experience includes:

- Prosecuting multi-million dollar lawsuits
- Resolving shareholder/partner/member disputes (business divorce)
- Litigating TEDRA, other probate disputes and will contests.

Our team provides clear and concise guidance about the pros and cons of initiating, defending, and resolving legal actions. We collaborate closely with our firm's transactional lawyers to produce results.

We advise clients of their options for resolving claims out of court every step of the way. We use alternative and solution-driven methods to resolve disputes and save you time, money, and stress of a court proceeding or trial. Our team is known for driving creative and practical settlement agreements through careful use of both litigation tactics and alternative dispute resolution.
