

TAX LAW

With many of our business and estate planning attorneys having advanced degrees in taxation (LL.M.), we are able to assist in a wide array of complex federal, state, and local tax planning services. Whether it is entity structuring, estate and gift planning, tax defense for individuals and companies, or compliance and related tax issues, our team has the experience to give you the advantage.

The complexities of federal, state and local tax structures can be overwhelming. Whether you are an individual seeking to minimize your estate and gift tax liabilities, or a business wishing to comply with applicable requirements or expand operations outside of Washington, our professionals have the expertise required to resolve a variety of complicated tax issues.

OUR SERVICES

TAX PLANNING

With many of our attorneys holding Master of Laws degrees in taxation (LL.M.), we can assist you with tax planning related to entity structure, estate or gift planning, employee compensation incentives, and assistance with compliance and related issues.

TAX REPRESENTATION

We routinely represent clients before the Internal Revenue Service, the Washington Department of Revenue, Department of Labor and Industries, and Department of Employment Security
